# CLUB OVERVIEW

## AN INTRODUCTION TO ZOO

The University of Calgary's Electrical and Software Engineering Students' Society, affectionately referred to as ZOO, is a student-run initiative that supports undergraduate students academically, professionally, and socially. ZOO offers a variety of technical events, social activities, and resources designed to enrich a student's university experience.

In addition to these responsibilities, ZOO acts as a liaison between the Department of Electrical and Software Engineering (ESE) and engineering students. We work hard to represent student opinions and ensure their voices are heard.

**1500+ Students  
represented**

**85% increase in  
students since 2021**

**15+ Events &  
Workshops**

Over the past few years, enrollment in the Software and Electrical Engineering programs has grown significantly. Our goal is to ensure that students are provided with the necessary resources to succeed both in and outside of the classroom. A smooth transition from post-secondary to industry is crucial, and it is our mission to ensure students are prepared for this transition.

# SPONSORSHIP TIERS

## YEAR - LONG SPONSORSHIP PERKS

The following are our available sponsorship tiers for the 2025-2026 academic year. The benefits for each tier will carry throughout the entire school year, and include will access to our most prestigious event, Tech Fair, our annual Career Fair.

**Please note that our team is willing to accommodate additional and custom requests!**

| \$699                                                                            | \$899                                                                            | \$1149                                                                             |

Returning and continuing sponsors get 15% off on listed pricing.

\* Media involves ZOO website and event marketing on social media platforms.

\*\* Additional charges may apply for Company Tours.

# TECH FAIR

## ANNUAL CAREER FAIR

If you have chosen **not** to pursue a year-long sponsorship, individual Tech Fair tiers are also available.

Join Electrical and Software Engineering, and Computer Science students at our annual Tech Fair. Throughout the last couple of years, Tech Fair has seen growing engagement with a high turnout rate each year. Companies have benefited from a diverse pool of students, bridging the gap between industry and academia.

Tech Fair is held during the **Fall semester** of each academic year. Additional details will be confirmed at a later date. In the meantime, take a look at our refreshed partnership opportunities:

| \$349                                                                                | \$449                                                                                 | \$599                                                                                |

### What “Marketing” includes:

- Logo on promotional posts and stories on our various social media platforms
- Logo on ZOO website
- Logo on Tech Fair sign-up
- Logo during opening ceremony presentation

NOTE: Tech Fair benefits are included in the year-long Sponsorship tiers seen on the previous page

# OUR EVENTS

If you have chosen **not** to pursue a year-long sponsorship, you may purchase the personalized events separately.\*

Through our events, ZOO promotes academic and professional success while fostering a community for students. Our partnership opportunities are listed below, but we are always looking for new ways to connect with Calgary's technology industry.

\$349

- Partner with us to reach an enthusiastic and diverse audience through an engaging social night.
- Benefit from increased brand recognition, positive association, and product or service showcasing.
- Connect and network with students in a relaxed, welcoming environment.

**Social Night**

\$349

**Technical Workshops**

- Lead a custom workshop tailored to students or support an existing session.
- Equip students with practical tech skills covering core computer, software, and electrical concepts beyond the classroom.
- Explore exciting topics such as PCB design, web development, cybersecurity, or even breadboarding basics.

\$349

**Speaker Sessions**

- Send company representatives to share their experiences and insights with undergraduates in a friendly, professional setting.
- Highlight your company culture, connect with fellow speakers, and engage with prospective employees.
- Encourage meaningful conversations about employment, workplace diversity, and long-term career goals.

\$499

**Company Tour**

- A company tour offers a unique opportunity to showcase your products and services, as well as what makes your business stand out.
- Invite students for an exclusive tour of your workplace, providing a behind-the-scenes glimpse into how the company operates.
- Event logistics are flexible and can be tailored to fit the company's schedule and capacity.

\* One personalized event perk is included in each year-long Sponsorship tier.

**Note:** The given cost is the estimated budget required to run each event, and covers food (in-person) or technical logistics. Please note that there is a limited number of events that can be hosted in the year.
